bellamy red & bahamas orange

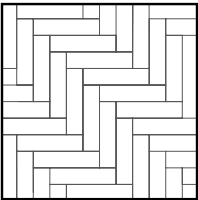

carpet planks

Our expanded burmatex portfolio now incorporates carpet planks, exclusively in our **grade**, **balance echo**, **tivoli** and **tivoli multiline**.

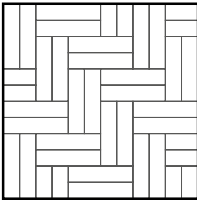

Planks maintain the simplicity of modular flooring, while enriching the design possibilities from the **burmatex**® range.

This new shape is suitable for heavy commercial use (class 33), is fully BREEAM and SKA compliant.

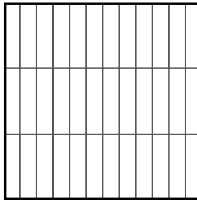

PLANK INSTALLATION METHODS

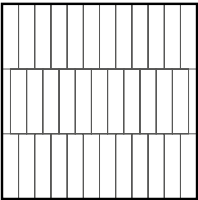

Herringbone

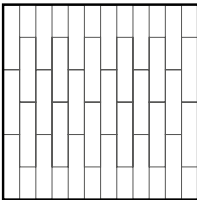

Double Herringbone

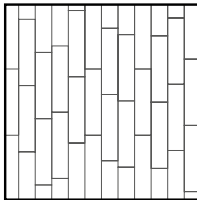

Monolithic

Brick

Half Drop

Random Drop

grade

- Class 33/suitable for heavy commercial
- Also available as 500mm x 500mm tile
 - 100% solution dyed nylon

The graduated hues within each colour of **grade** provide great aesthetic flexibility and longevity

Use one single colour for a specific all over effect, or select different combinations to create drama or contrast within a scheme

grade
indigo, denim, crater & abyss

grade
smoke, indigo & silver

balance echo

- Available in one contemporary dark colourway
- BREEAM A and A+ rated and SKA compliant

- Also available as 500mm x 500mm tile

balance echo black

balance echo black
with **tivoli** bermuda lime

balance echo black
with **tivoli** nasau skies

tivoli

The palette of bright, dark and neutral shades across two design options - combines all the current benefits of the **tivoli** range with new layout choices.

tivoli multiline melanesia grey, tenerife black & reunion terracotta with **tivoli** antigua steel, montserrat black & bahamas orange

tivoli multiline melanesia grey, antigua steel dominica dawn with **lateral**® lime street

tivoli multiline melanesia grey & tenerife black with **tivoli** antigua steel & st lucia night

CASE STUDY

Strothes Hall

Strothes Hall is a student accommodation complex serving Huddersfield University.

burmatex® tivoli carpet planks with lime colour splash of **lateral®** carpet tiles were installed in the common areas where students can spend their free time and just hang out.

It took just 3 **tivoli** carpet planks colours – antigua steel, dominica dawn and multiline melanesia grey to create a fashionable looking space. The random drop layout laid down the length of the room creates the impression of a long open space interior.

The soft grey design perfectly matches the modern furniture and wall coverings creating a calm environment.

Carpet used:

- **tivoli** planks antigua steel
- **tivoli** planks dominica dawn
- **tivoli** planks multiline melanesia grey
- **lateral®** lime street in tiles

tivoli multiline melanesia grey
with **tivoli** antigua steel, dominica dawn with **lateral®** lime street

grade abyss, smoke, zinc & crater

ENVIRONMENT FRIENDLY CARPETS

Each step we take towards achieving sustainability is evidenced and supported by strict eco-standards, with **burmatex**[®] holding A or A+ BREEAM ratings across all product ranges and an overall A+ VOC rating.
